"Embrace your Future"

Wednesday, January 07, 2009

Dear Parents and Guardians,

We are excited to be back from Winter Vacation and hoped everyone enjoyed their break.

Minor Structural Damage

Unfortunately, our building had encountered some water damage during the break. The first floor was affected. New tiles, carpets, and sheet rock had to be replaced. Each section of wall that was replaced had to be repainted. Administration has worked with the appropriate agency to ensure and *confirm* the building environment is safe for our students and staff. Additionally, any technical difficulties resulting from this hindrance is in the process of repair. The staff in LISA Academy requests your patience and understanding regarding this matter.

Senior Homecoming Ceremony

LISA Academy's first ever **Homecoming Ceremony** will take place on **January 16th, 2009 at 5:00 p.m.** on the campus of UALR in the Old Trojan Field house. The Homecoming Ceremony participants will include the High School students only, but everyone is encouraged to attend this special event. Immediately after the ceremony our High School boy's basketball team will play against Academics Plus team and the Girls will play as soon as the boy's game is over. There will also be a Formal Homecoming Dance for High School students only, as soon as the games are finished, either on the same court or in the banquet hall upstairs. There will be a \$10 or \$20 charge for entry into the dance. There will be more information posted on the web page.

LOST AND FOUND ITEMS

Beginning this week items in the school lost and found that have not been claimed will be collected and donated to charity every Friday afternoon. We hope this will decrease the overflow that accumulates and presents a safety hazard. Please remind students to check the lost and found periodically for lost items.
