HOME VISIT

LISA Academy has started their **Annual Home Visit Program**. These visits were established with the goal to foster greater communication and involvement between parents, students and teachers. The visits only last around 20 to 30 minutes and no special effort is required on behalf of the family. When teachers have the opportunity to visit with students and parents in a home setting, relationships begin to develop resulting in a richer learning experience at school. *Please....say **yes** if a teacher calls to schedule a home visit!*

LISA ACADEMY FLU CLINICS

Our campus will conduct an additional flu clinic on December 9, 2009. The nurse will provide details for anyone who may be interested.

NOVEMBER AFTERCARE PAYMENTS

Please remember to submit payments during the first week in November. Many families have already complied. We look forward to your cooperation and help to run this wonderful program. Thank you.

VIDEO GAME CLUB

The Video Game Club will **NOT** meet in December. Tournament play will begin in December and will be free to play. Week one will be music.
