Health Service Message

Dear Parents of grades 6th, 8th, and 10th grade,

We have completed our screenings for scoliosis and BMI (Body Mass Index). Please watch for upcoming letters mailed to you for scoliosis screening for 6th grade girls, and 8th grade girls and boys. **Only those students who have failed our initial screening will receive a letter.** All students in 6th, 8th, and 10th grade will receive, over the next few weeks, an analysis from Arkansas Center for Health Improvement (ACHI). This is the agency that all of the state of Arkansas reports school BMI screenings. We will pass out those letters at school to the students. Be sure to ask you children if they received their letter. If you have any questions, please feel free to email or phone the school nurse. Thank you to all students and parents.
